Thank you for praying with us, bringing the needs of children all over the world daily to our Heavenly Father through the month of June. Follow the key below to **participate in a prayer activity** on the days with the asterisk. God bless you!

* Prayer Activities

- 1 Today is **International Children's Day**. Every time you hear the name of Jesus or something about God, pause and pray for the children who never do.
- 5 Choose to give up a meal or something else today (or another day this week) and take that time to pray for children who are experiencing trauma, like abuse or neglect.
- 10 Go under a desk or table for one minute and reflect on children who face fear because of violence and war. Pray for those children.
- 13 Do a prayer walk around your house or neighborhood and pray for children in the Middle East who are not allowed to share their faith.
- 19 Think about a conflict or a difficult relationship you have been in and how it made you feel. Pray for children who deal with conflict regularly in their family or at school.
- 24 Write the name of a country on a band-aid and wear it as a reminder to pray for children around the world who are in pain.
- 28 Water a plant and pray for children in Asia to grow in their faith and for God to continue expanding the ministry of EGM.
